## Course: G191

## Incident Command System (ICS)/Emergency Operations Center (EOC) Interface

### Date:

August 27, 2019

### Location:

Renton, WA

### Time:

8:00am - 5:00pm

### Course Description:

Hosted by King County Emergency Management, Washington Emergency Management Division, and FEMA Region X. The goal of the course is to provide state and local emergency management officials with the knowledge and skills they need to operate an Emergency Operating Center (EOC) and interface it with an Incident Command System (ICS) field operation. The course provides an opportunity for participants to begin developing an ICS/EOC interface for their community. The course reviews ICS and EOC responsibilities and functions and depends heavily on exercise and group discussions to formulate the interface.

### Target Audience:

Local, tribal, and state personnel responsible for developing, staffing, managing and operating an EOC and coordinating EOC operations with a field command post.

### Funding:

Tuition is free for those accepted; there are no travel/salary stipends available for this offering and all incurred costs are the responsibility of the attendee or sending organization.

### Prerequisites:

Recommended prerequisites include the completion of Independent Study (IS) courses [IS-100](#) and [IS-200](#).

### To Apply:

Contact Lisa Davis if you are interested in attending this course, and you will receive an enrollment confirmation via email.
